MAJOR GEO. W. PRIOLEAU HERE. The Ranking Chaplain of color in the United States Army, Now With the 25th Infantry, is Spending His Two Month Furlough in the City Visiting Relatives and Friends.

WILL PREACH SUNDAY AT ALLEN CHAPEL.

Major Geo. W. Prioleau the oldest Chaplain of color in point of service in the regular Army and one of the race's foremost representatives and a preacher of much power and eloquence has for the past ten days been visiting relatives and friends in the two Kansas Cities and will spend his vacation of two months here.

Chaplain Prioleau is accompanied by Mrs. Prioleau and the children and all are enjoying excellent health.

Before entering the Army, Chaplain Prioleau was one of the most prominent ministers of the A. M. E. Church and bid fair to reach the highest position in the gift of his Church but he heard the call of his Country and entered into the service twenty years ago and has risen step by step until he is recognized as not only one of the most brilliant men of color but also one of the most popular as well as competent Chaplains regardless of color in the United States Army. Chaplain Prioleau is a 33d degree Mason and is District Deputy of Missouri for Hawaii and the Philippine Islands where he has done splendid work as well as in Arizona, New Mexico and Montana where he was Deputy previous to leaving for the Islands. Several prominent citizens and Masons are planning delightful social affairs in honor of the distinguished Chaplain during his stay and on Sunday morning July 28 at Allen Chapel at 11:00 o'clock the Chaplain will preach the consecration sermon at the consecration of the new service flag in honor of the forty-seven men who have gone out of Allen Chapel to the war. Doubtless historic Allen Chapel will be packed to its capacity to hear him. The whole race is proud of the splendid record that has been made quietly and unostentatiously by our distinguished Chaplain and on behalf of all our people we welcome him and his charming family to our city.

## CAMP FUNSTON, KANSAS.

Editor of the Sun:

This morning in our Camp the boys thoughts turned to the Lord and Saviour Jesus Christ and we had a glorious service both morning and afternoon in which the Kansas City boys and the Missouri boys took a prominent part. We had an old time Christian service like our mothers and fathers used to have in the old days and we enjoyed it very much. We want our mothers, fathers, wives, sisters, and brothers to pray for us while we are here that we may make good soldiers not hof our Country and our Lord. Billy Higgins and Ernest Whitman, Kansas City boys have kept the Camp full of life. Tell our friends to send us the Sun.

Yours truly,  
Eugene A. Walker, Secy.
